Introducing Performance System 3-Part

SynPower Performance System 3-Part is a 3-step professional service that cleans the entire fuel system (including the fuel injector, intake valve and combustion chamber) and the air intake system to

help restore maximum power and performance. The premium synthetic products used in the 3-step process are:

SynPower Super Concentrated Fuel Injector Cleaner

SynPower Throttle Body Cleaner

SynPower Intake Cleaner

Benefits:

- >Restores maximum power and performance
 - >Eliminates rough idle, hesitation and knocking
 - >Reduces emissions caused by deposits
 - >Restores engine efficiency and fuel economy
- Powerful synthetic cleaners in the three products work together to clean the entire fuel system.

SynPower Super Concentrated Fuel Injector Cleaner:

- >Unclog fuel injectors
- >Increase your engine's power and performance
- >Eliminate rough idling
- >Improve acceleration

SynPower Throttle Body Cleaner:

- >Effectively cleans throttle plates on today's fuel injected engines
- >Eliminates hesitation, smoothes rough idle, restores maximum power
- >Removes gum, varnish, sludge and carbon deposits instantly

SynPower Intake Cleaner:

- >Cleans fuel system components that most fuel injector cleaners fail to reach
- >Helps eliminate rough idle, hesitation and knocking

Happy Birthday Kendall Motor Oil

We are excited to announce that 2006 marks the 125th birthday of Kendall Motor Oil!

In 1881, the Kendall Refining Company opened for business, and has evolved into the premier lubricants brand that we all know and love today. We plan to celebrate this milestone all year long, and this month we thought it would be fun to uncover interesting events and trivia from 1881 celebrating 125 years of Kendall product innovation!

>The price of milk went up to an "unheard of" eight cents a gallon in 1881

>1881 was the only year that three men served as President of the United States.

Rutherford Birchard Hayes finished his four-year term on March 3, 1881. The following day, President James Abram Garfield was sworn in as 20th President of the United States. Garfield was assassinated one-hundred ninety-nine days into his term and was replaced by Vice President Chester Alan Arthur

>Legendary Western outlaw Billy the Kid, whose real name was Henry McCarty but who also went by William Bonney and Kid Antrim, was shot on July 14, 1881

>In Major League Baseball, Roger Conner of the Troy Trojans hit the first grand slam in Major League history en route to an 8-7 win over the Worcester Ruby Legs

>The American Red Cross was founded by Clara Barton on May 21, 1881

>The first international telephone conversation was exchanged July 1, 1881

Celebrating our 29th Year!
